

Life Kids Club

QuHACKK

Life in the Jungle

2018 Terms and Conditions

Dates: Tuesday 10th to Friday 13th July, 2018

Time: 9:30am to 1:00pm

Price: \$65 per child (includes family fun night)

General Information:

Life Kids Club – QuHACKK is a holiday program for school aged children (years K-6) that is run by Life Anglican Church and held at our Quakers Hill location. This year's theme is 'Life in the Jungle' and features 4 days of fun filled events, including our amazing stage-time program (featuring a drama, singing, memory verse challenges and an engaging bible talk). This stage-time program is then followed by 2 hours of activities including: games, craft, cooking and much more. For kids in years 4-6, a special Survivor Challenge will be conducted at the nearby Hambledon Public School, where small groups of students and their leaders walk down together and experience lots of age-appropriate games and adventures.

Payment Details

In a change from previous years, FULL PAYMENT is required at the time of registration! This is done within the registration process (<http://bit.ly/lifekidsclub2018>). After choosing how many tickets you require, the registration details will appear. After all details have been completed, you are required to pick 'PayPal' as your payment option (noting it is NOT required for you to have a PayPal account – a credit/debit card will perfectly acceptable).

Family Fun Night:

On the Friday night of Life Kids Club, we have a celebration event that we call 'Family Fun Night', which allows whole families to enjoy and partake in the Life Kids Club experience. This includes a free BBQ sausage sizzle (water will be provided, and soft drink will be available for sale at \$1 a can), stage entertainment, singing, the epic conclusion to the Drama AND the premiere screening of our Life in the Jungle Highlights Video! The night is open to the whole family and is most definitely not to be missed.

Contact Details:

Any questions can be directed to the directors of Life Kids Club by emailing quhackk@lifeac.org.au.

What to bring:

Day 1 – Please bring a water bottle and morning tea (in a disposable plastic bag) for each child. On sign up, everyone will then be given their own QuHACKK bag in which to place their belongings. Please note that fruit and water will be provided for morning tea each day, however, children are welcome to bring an additional NUT FREE snack if desired.

*QuHACKK is a Nut Aware event.
Due to the large number of children attending,
we cannot 100% guarantee a completely nut free environment.*

Days 2,3,4 – Your QuHACKK bag along with your optional additional NUT FREE morning tea.

Belongings:

Due to the nature of the activities, we recommend that children wear joggers, comfortable clothes, sunscreen and a hat. Please do not wear expensive clothing or bring any valuables, electronic game consoles, mobile phones, cameras or jewellery. Lost property will be placed in a box at the help desk and we will do our best to return all items that are clearly labelled. Lost property will be held until the end of the July school holiday period. Please contact the office (02) 9837 2277 to arrange a time to check and collect any lost items.

Electronic Media / Photos:

Please be aware that photographs and videos of the children at Life Kids Club may be taken for the highlights video, Life Anglican Church website, Facebook page and publications in future promotions. Please let us know via email or phone if you require an exemption from this policy.

Sick Children

No child will be admitted to Life Kids Club if they are showing any signs of illness or infection on arrival, and children are required to wait a minimum of 24 hours before returning to Life Kids Club after being sick. If you are unsure whether your child may attend please call the office (02) 9837 2277 after 8:30am on the day in question to discuss.

Parents/carers are ultimately responsible for determining their child's ability to actively participate in the daily activities. While we sympathise with the needs of each parent, we must provide a healthy environment for other children and leaders. If a child becomes ill during the Life Kids Club program, parents will be contacted to come and collect their child. In the event of an accident, first aid will be administered and an ambulance will be called if necessary. Should transportation to hospital be required a Life Kids Club leader will travel with your child until such time as their parent can take over.

Medical Information

Regular medication, Epipens, asthma puffers, antibiotics, and any other medication that may be required during Life Kids Club will need to be signed in and out each day with the First Aid Officer. All known medical conditions need to be disclosed during the registration process. Should your child suffer from either asthma or anaphylaxis, a current Medical Action Plan MUST be provided by email to quhackk@lifeac.org.au.

Additional Support

We recognise that the needs of individual children vary and we will endeavour to accommodate children with additional needs within the Life Kids Club program. We are realistic about the limitations of our environment for children with additional needs and attendance is considered on an individual basis and is determined by our staffing ratio and experience to ensure appropriate care is offered for all children attending.

We expect parents to inform us of any potential behaviour issues that would help us to deal with situations in a positive manner. Please contact the QuHACKK committee (quhackk@lifeac.org.au) prior to registration to discuss any requirements further, and to consider what (if any) arrangements can be put in place.

Behaviour Expectations

We set ourselves high standards and expect that the children attending Life Kids Club behave in accordance: treating others, personal property and facilities with respect; listening to and following instructions from all leaders. Swearing, abusive language, aggressive behaviour or violence will not be tolerated. Any failure to comply with these conditions will result in parents being asked to collect and sign out their child immediately.

Arrival and Departure Arrangements

Please respect our Life Kids Club times by delivering and collecting your child(ren) in line with the published times. Morning sign-in for will open at 9:15am for a 9:30am start.

The program will conclude at 1pm and we cannot guarantee staffing levels beyond this finish time. Children must be signed out by an authorised adult as listed in the registration form. We will not allow any child to return home unaccompanied or with an un-authorised adult.

Quality and Safety

Our Life Kids Club continues to operate with an exemplary health and safety record. All leaders participate in a comprehensive training program before Life Kids Club that includes: Child Protection Training, "Working with Children Check", Allergy awareness, First Aid Procedures, Fire and Evacuation Procedures and Equipment Safety. Leaders are appointed following the Committee's selection process.
